***piVot<sup>2</sup> ANNOUNCES NETWORK AMBASSADOR FOR USITT 2021***  
***Talented Technician Represents Black Book Recruiting Brand***

**Larchmont, NY** - Today, *piVot<sup>2</sup> (p<sup>2</sup>)* the leading entertainment industry design/build sector's heart-hunting recruiter announced its Network Ambassador for USITT 2021 – Virtually Anywhere.

Founder|CE Irene Byrne Ohl stated, "This student represents the core values of a *piVot<sup>2</sup>* candidate - he possesses an exceptional level of talent, self-motivation and tenacity. It will be a pleasure to have Miguel Angel Lopez "on the show floor" to share *p<sup>2</sup>*'s process from a candidate's point of view."

Please join *p<sup>2</sup>* in congratulating:

**Miguel Angel Lopez**

Miguel is currently a graduate student at The Yale School of Drama. He is a seasoned entertainment technician and draftsman. In addition to his work as a draftsman for manufacturing, installation, and corporate events, Miguel has worked at various colleges, regional theaters, and summer stocks across the country. Selected credits include: JR Clancy, Hargrove from Encore, Agam Group, The Olney Theatre Center, Contemporary American Theatre Festival, and the Monomoy Theatre.

This is the third year that *p<sup>2</sup>* is sponsoring a Network Ambassador. In addition to receiving a Full Conference Pass, Network Ambassadors receive personalized stationery for networking follow ups, gets booth shift experience to sharpen their personal escalator pitches and attend networking opportunities with *p<sup>2</sup>* Founder Irene Byrne Ohl.

**About *piVot<sup>2</sup>, llc*:** Established in JAN 2019, *piVot<sup>2</sup>* is a niche nationwide entertainment recruiter that connects employers to a broader choice of candidates and connects candidates to decision makers by focusing on the best possible Talent-To-Team fit. Its mission is to expand career opportunities for the next generation of technical theatre professionals within the sectors of contractors, consultants, and manufacturers through tailored, recruiting methods supporting the entire search process.
